Be a part of the first annual historical event while helping to raise money for Special Olympics Polk County. Monies raised will go towards uniforms, training, competition, food, and sporting equipment for Polk County Special Olympic athletes. There are currently around 500 athletes in Polk County. Special Olympics is a non-profit organization and all events are offered to athletes at no cost to the families.

We will be paddling in the **Paddlers Care Paddle Challenge** to raise money for Lake Aurora's *Special Paddlers of Polk County*.
